

Summer 1

What are we learning in Year 1?

Geography

In Geography we have been learning about farms. We have been learning about livestock, arable and dairy farms. We enjoyed visiting Keasden Head Farm.

English

We have been looking at non-fiction texts this half term. Our main text has been the Big Book of Why!

We have been looking at the features of a non-fiction text and we have created our own non-fiction piece to feature in our Big Book of Why!

Maths

Our focus in maths this half term has been looking at multiplication and division and fractions.

Computing

We have been learning about grouping and sorting items online and creating pictograms.

Science

In science we have been learning about plants! We have been learning about how plants turn into seeds, labelling the basic parts of a plant and tree, understand the difference between deciduous and evergreen trees and we recoded the growth of a plant.

Religious Education

We are going to be learning about special people and places.

We are learning about being my best!
