Headteacher's Message

I'm not quite sure how there are only 4 weeks left until the end of the academic year, but here we are! This reality is quite alarming when I think of all the things we have packed into this final month... more school trips, reward assemblies, sports morning, year 6 production, end of year discos, not to mention all our usual learning and day-to-day activities! Further information will be sent out next week regarding upcoming events and the back page of the newsletter always contains the most recent dates for the diary.

As you know, recently we successfully applied for a Clean Air Schools Grant, through which we have been able to provide Learn to Cycle sessions led by Ready Steady Pedal for all pupils in years 1 to 6, as well as lunchtime and after school clubs. Walking past the overflowing bike shelter on Thursday mornings on my way into school always makes me smile and I know the children absolutely love being able to bring their own bikes to school.

On Saturday 25th May, Miss Metcalf became Mrs Spensley; marrying her partner Chris in the most beautiful setting. She looked absolutely beautiful and their daughter Erin made the cutest little flower girl! Rachel—all the staff and children wish you and Chris a lifetime of happiness together.
