

Butterfly Room

Monday 31st March 2025-Friday 4th April 2025

Butterfly Room

My Understanding of the World

Hi everyone!

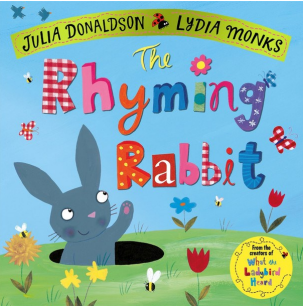

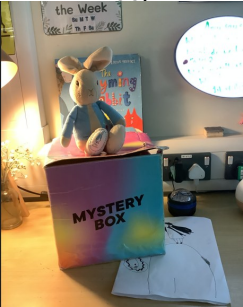

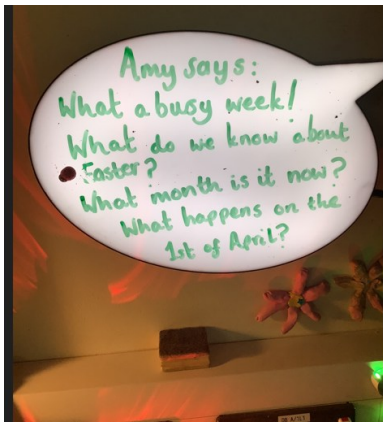

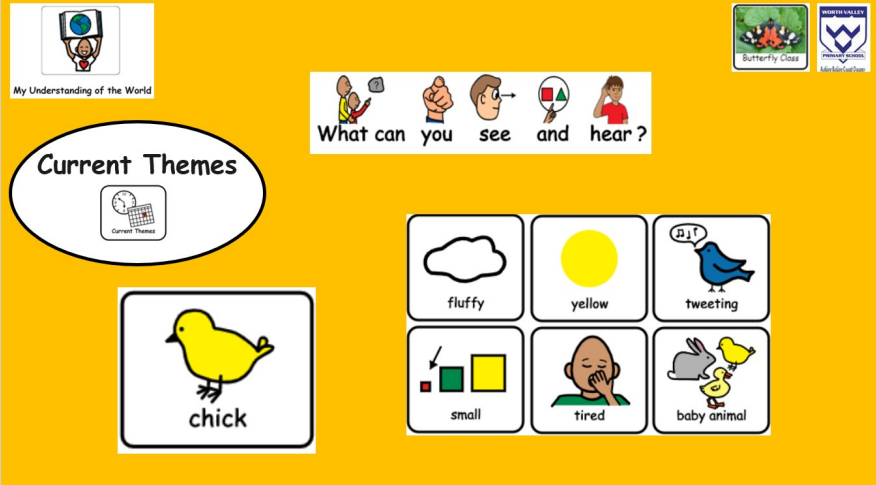

We hope you're ok!

Well we've had a very busy half term! We plan to look through all the work we have carried out this half term as a class and discuss it together! This week we are learning about Easter. It is the holidays at the end of this week, we are looking at the different things people can do in their holidays.

We are currently carrying out 'Chick watch'. We are learning about how animals grow during the Spring time!

Pupils carry out phonics, English and maths sessions according to their ability either through sessions in the Butterfly room or in their mainstream class.

Please see individual transition plans for more information .

Book of the Week	Communication/Interaction /well being	Current Themes Outdoor Learning	Sensory provision	Personal Development
 <p>Our sensory bin and tuff trays are linked to the ideas in our book of the</p> 	 <p>Mystery box Rainbow coloured sensory resources, e.g. spiral ceiling decorations. Show and Tell Happy Minds Group session with AB.</p>	<p>This week we will make as much of the outdoor space we can do whilst the weather is good!</p> <p>We will spend time moving around the track as part of sensory circuits.</p> <p>We will also explore our new piece of outdoor equipment!</p> 	  <p>What can you see and hear?</p> <p>Current Themes</p> <p>fluffy, yellow, tweeting, small, tired, baby animal, chick</p>	<p>See information regarding individual personal development sessions.</p>
